1. Tables may not sum down as consensus is calculated as the mean for each line item.

2. In the cash flow statement, Adjusted PBT and depreciation and amortisation D&A) are shown after the deduction of acquisition amortisation; whereas in the income statement on page 2 acquisition amortisation has been excluded.

Sell-side analyst consensus - dispersion (1/2)

1. For Adjusted EBITDA and Adjusted PBT, refer to definition of Adjusting Items later in this document.
2. n=10 (FY26 and FY27), n=7 (FY28). Some FY28 figures have not been published in reports and are sourced from models uploaded to S&P Visible Alpha.

Sell-side analyst consensus - dispersion (2/2)

1. For Adjusted Diluted EPS, refer to definition of Adjusting Items later in this document.
2. n=10 (FY26 and FY27), n=7 (FY28). Some FY28 figures have not been published in reports and are sourced from models uploaded to S&P Visible Alpha
3. Not all contributing analysts have yet updated their models to reflect the FY25 results announcement, the Group's share buyback policy and its medium-term net leverage target of 1.0x.

UBS	Beatrice Allen	26 June 2025	360	Buy

Disclaimer and basis of preparation

Disclaimer

The forecasts aggregated within this document have not been prepared by and are not endorsed in any way by Moonpig Group. Moonpig Group has neither verified nor commented on any individual estimates, nor does it intend to do so in the future. Moonpig Group assumes no responsibility to update, revise or otherwise comment on any of the information contained in these forecasts. Financial forecasts are, by definition, forward looking, and are therefore subject to various risks and uncertainties which are subject to change at any time.

Basis of preparation

The company-compiled consensus comprises financial estimates provided by third-party research analysts. Financial estimates that include material errors in calculation (where identified) or are out-of-date are excluded. Where an analyst subsequently withdraws coverage, their financial estimates are excluded.

Consensus was last updated at the date specified in the top right hand side of this page. It is based on estimates published by the following analysts: Berenberg, Canaccord Genuity, Deutsche Numis, Jefferies, J.P. Morgan, Panmure Liberum, Peel Hunt, RBC Capital Markets, Singer Capital Markets and UBS.

Alternative Performance Measures

Moonpig Group has identified certain Alternative Performance Measures ("APMs") that it believes provide additional useful information on the performance of the Group. These APMs are not defined within IFRS and are not intended to substitute or be considered as superior to IFRS measures. Furthermore, these APMs may not necessarily be comparable to similarly titled measures used by other companies.

The definitions for adjusted measures in the above table are as follows:

- Adjusted EBITDA is profit before taxation, interest, depreciation, amortisation and Adjusting Items.
- Adjusted EBITDA margin is Adjusted EBITDA divided by total revenue.
- Adjusted PBT is profit before taxation and Adjusting Items.
- Adjusted Basic Earnings Per Share ("EPS") is stated before Adjusting Items.
- Net debt is total borrowings, inclusive of lease liabilities, less cash and cash equivalents.

Adjusting Items in the period covered by consensus relate to the amortisation of intangible assets acquired on business combination ("acquisition amortisation") and the impairment of goodwill. However, the Group does **not** add back IFRS 2 share based payments in its APMs.
