MOONPIG OFFERS FREE CARDS FOR GRANDPARENTS DAY

Ahead of National Grandparents Day on Sunday 3rd October, Moonpig is encouraging people to celebrate the patriarch of their family by giving away two free Grandparents Day cards per person.

On Thursday 30th September for one day only, Moonpig customers can spoil both Granny & Grandpa by putting pen to paper – or fingers to keyboard – to share some loving words of appreciation to arrive just ahead of the national awareness day. It's easiest on the Moonpig app where the latest handwriting feature makes the cards even more personal.

With over 80 cards to choose from in the Grandparents Day selection, including personalised and standard cards, customers can benefit from the offer by using code GRANDPARENTSDAY at the checkout.

The offer ends at 23:59 on 30th September and is limited to two cards per customer.

Cards participating in the offer can be found here:
